INSTALLATION

Pretty Plastic tiles must be fixed to a substructure of aluminium omega profiles (40 mm × 25 mm). We recommend using our specially developed mounting brackets to ensure a secure installation.

PROCESSING

Pretty Plastic can be cut or drilled without splintering.

COLOUR

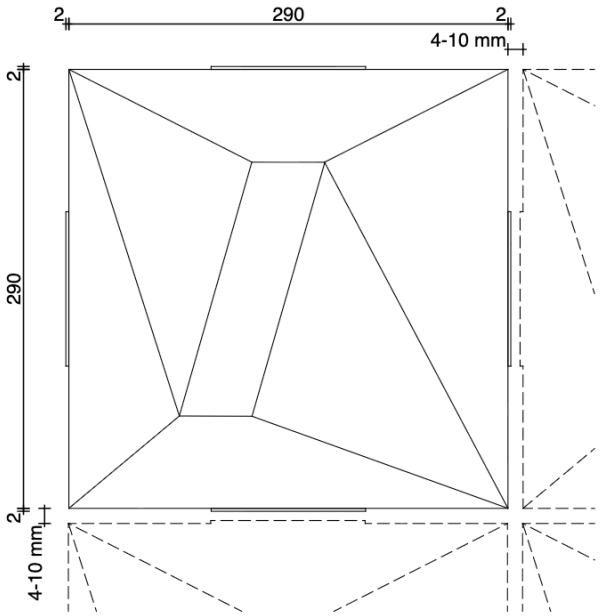

Pretty Plastic is available in four colours – ochre, terracotta, green and grey – each offered in three shades. The colours shown serve as representative examples and are intended to provide an initial impression only. Due to the inherent characteristics of recycled materials, the actual product may display slight variations in colour and finish.

MAINTENANCE

Pretty Plastic is maintenance-free and can be cleaned using standard household cleaning products.

CIRCULAR TAKE-BACK STATEMENT

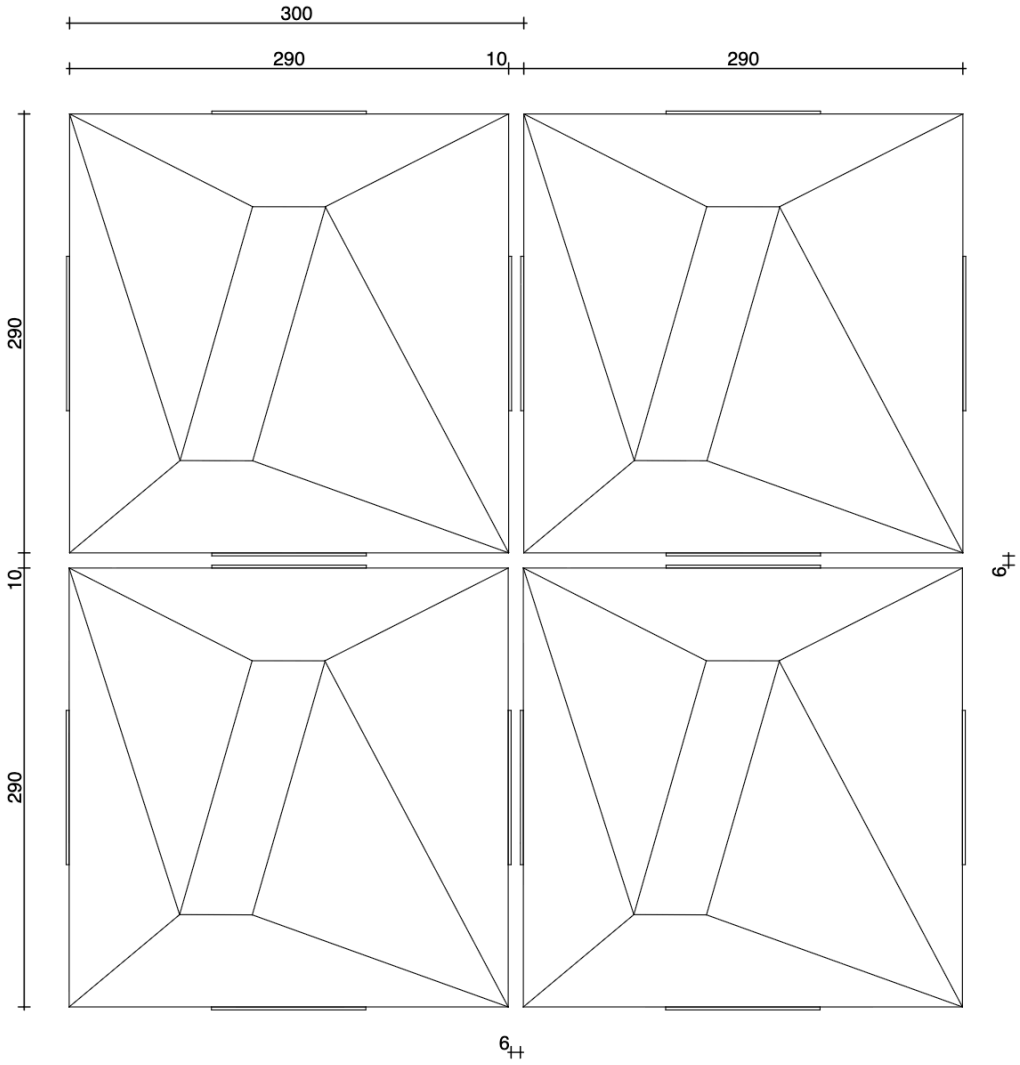

Pretty Plastic tiles are made from 100% recycled PVC and designed for reuse and upcycling. We minimise waste and keep materials in continuous circulation. For return, reuse and upcycling details, see our Circular Take-Back Statement at www.prettyplastic.nl
