INSTALLATION

Pretty Plastic tiles should be attached to a structure of aluminium omega-profiles of 40mm-25mm.

We recommend using our specially developed mounting brackets to ensure a solid installation.
PROCESSING

Pretty Plastic can be cut or drilled without producing any splinters.

COLOUR

Pretty Plastic is available in four different colours: ochre, terracotta, green, and grey, each offering three shades. Colours shown serve as representative examples to provide an initial impression. However, due to the inherent characteristics of recycled materials, the delivered product may exhibit slight variations in colour and finish.
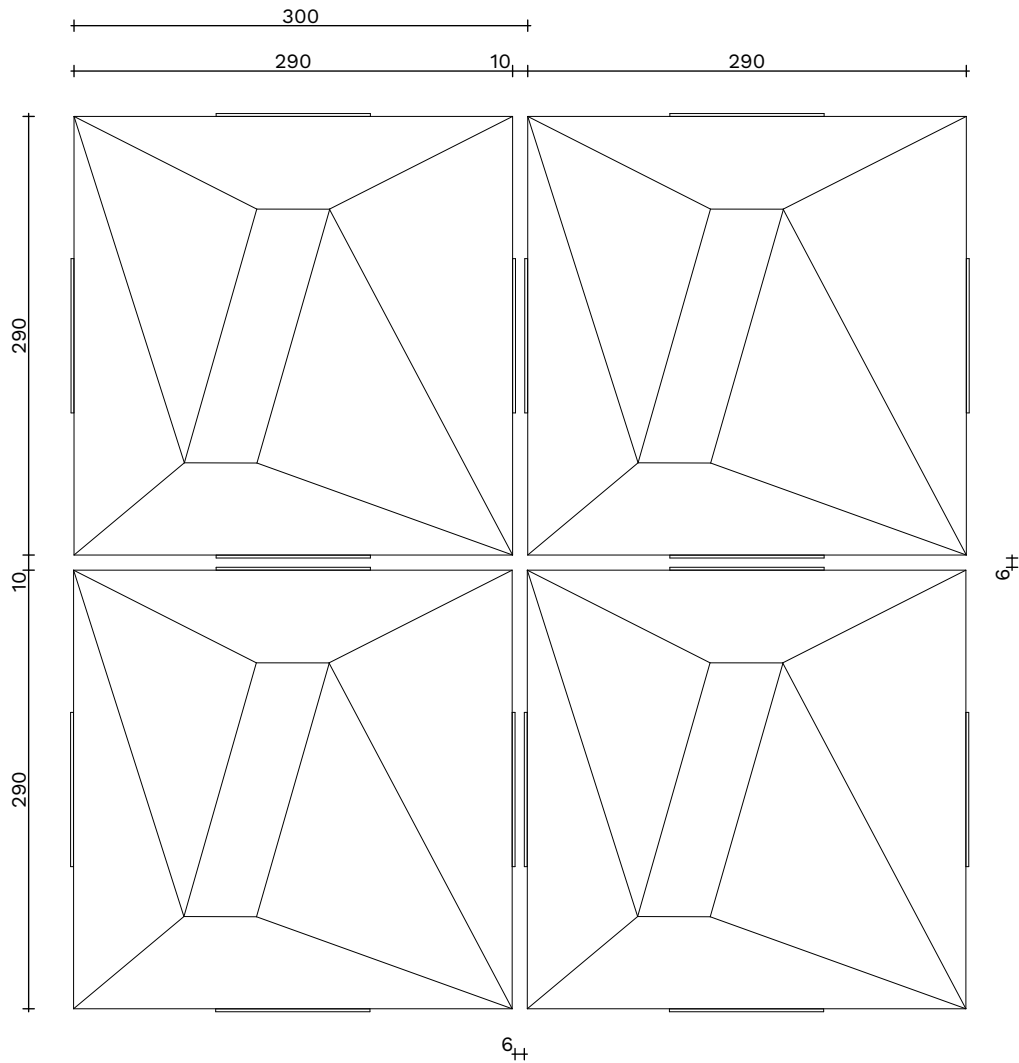

MAINTENANCE

Pretty Plastic is maintenance-free and can be cleaned using mild household cleaning products.
